ON MOTION OF WAGNER **RESOLUTION NO.**

Resolution Calling on the Governor of New York State to Remove from the 2024 Executive Budget Part M of the Article VII Revenue Bills

WHEREAS, on February 1, 2023, the Governor of New York State announced New York State's Fiscal Year 2024 Executive Budget (the "Budget"), AND

WHEREAS, the Budget includes Article VII Revenue Bills, AND

WHEREAS, Article VII Revenue Bills includes Part M adding a new section 989 of the Real Property Tax Law titled "Distribution of surplus in tax enforcement proceedings" ("Proposed Budget Legislation") , AND

WHEREAS, the Proposed Budget Legislation seeks to require municipalities governed by Article 11 of the Real Property Tax Law ("RPTL") to give excess money to a prior owner of real property sold by the municipality after taking title pursuant to Article 11 of the RPTL, AND

WHEREAS, the Proposed Budget Legislation should be removed from the Fiscal Year ("FY") 2024 Budget because (1) it is unconstitutional since Article VIII, Section 1 of the New York Constitution restricts a county from giving any money to or in aid of any individual, or private corporation or association or private undertaking, (2) it is unfair to lien holders since all liens are cut off by Section 1131 of Article 11 at the time an interested party fails to redeem or answer, which time comes prior to the County taking title and selling the parcel, (3) it will be practically impossible for a county to accurately account for all administrative costs associated with administering enforcement of taxes for thousands of parcels during a two year time period involving subcontractors and staff from multiple departments, (4) it is unclear whether litigation costs incurred in enforcing taxes pursuant to Article 11 would be included, (5) the number of unpaid parcels are likely to increase with owners knowing that they do not have to pay lien holders, including the mortgage lien on their home, real estate agents and other costs that would be required absent this Proposed Budget Legislation, (6) the Proposed Budget Legislation does not address the circumstances where there is no "prior owner" or the prior owner is deceased or the method and attempts required to ensure that the "prior owner" accepts payment and (7) it is unfair to the gross majority of parcel owners in the County who timely pay their taxes or properly sell their home if they no longer desire to own it, AND

WHEREAS, the Cortland County Legislature's Finance and Administration Committee has reviewed this resolution and recommends that the Governor remove Part M from the FY 2024 Executive Budget, NOW THEREFORE BE IT

RESOLVED, that the Cortland County Legislature hereby calls on the Governor of New York State to remove from the FY 2024 Executive Budget Part M of the Revenue Bills, AND BE IT FURTHER

RESOLVED, that the Clerk of the Cortland County Legislature shall forward copies of this resolution to the Governor of the State of New York, the New York State Legislature, the New York State Congressional Delegation, and all others deemed necessary and proper.

Authorization for exemption

Real Property Tax Law § 466-a authorizes the governing body of a county, city, town, village, school district, fire district, or special district, to partially exempt up to 10% of the assessed value of the residence of a volunteer firefighter or ambulance worker. The exemption does not apply to special assessments.

An eligible city, village, town, school district, fire district, special district, or county may enact, after a public hearing, a local law, or a resolution in the case of a school district, to adopt the volunteer firefighters/ambulance workers exemption. Consult your assessor to ascertain whether the exemption is available locally.

Eligibility

Note: If you receive this exemption, you **cannot claim** a New York State income tax credit for the same volunteer service. However, if the property has multiple owners, the owner(s) whose volunteer service was not the basis of the exemption are eligible to claim that credit.

The exemption is available only to members of incorporated volunteer fire companies, fire departments, or incorporated ambulance services who have been certified as being enrolled members for a minimum of two to five years, depending on the policy. The municipality determines the procedure for certification.

At local option of the city, town, village, school district, fire district, special district, or county, an enrolled member who has accrued more than 20 years of active service may be granted the exemption for the remainder of their life, as long as the member's primary residence is located within such county.

At local option, the exemption may be continued or reinstated for the un-remarried spouse of an enrolled member killed in the line of duty who had been a member of the volunteer fire company, fire department, or volunteer ambulance service for at least five years and was receiving the exemption prior to their death.

At local option, the exemption may be continued or reinstated for the un-remarried spouse of an enrolled member who accrued at least 20 years of active service and was receiving the exemption prior to their death.

The exemption may be granted only to applicants who reside in the jurisdiction served by the fire company, fire department, or ambulance service. The exemption is only available for the applicant's primary residence and only to property (or the portion thereof) exclusively used for residential purposes.

Deadline

If one or more of your localities have opted to offer this exemption, you must file the application in the assessor's office on or before the appropriate taxable status date, which, in most towns, is March 1. Consult with your assessor to confirm the deadline for your municipality.

Once the exemption is granted, the exemption may continue for the authorized period provided that the eligibility requirements continue to be satisfied. It is not necessary to reapply after the initial year for the exemption for it to continue.

For further information, ask your local assessor. To find your local assessor's contact information, visit our website or your locality's website.

Modified Date (s): 2004, 1/26/2017 11/18/2021, 5/26/2022, 4/27/2023

Resolution No.: *05-02; 334-04; 58-17; 311-21; 149-22*

Effective Date: 1/26/2017

Next Review: ~~12/31/2022~~12/31/2023

Objective: To establish a fund balance policy to reduce the cost of borrowing for cash flow, offset revenue shortfalls and unexpected expenditures, stabilize taxes and maintain services without budget cutbacks, improve long-term planning initiatives and enhance the County's credit rating.

Reference (All applicable federal, state, and local laws): Chapter 528 of the Laws of 2000; OSC Accounting Bulletins

Legislative Policy Statement:

Responsible Department: County Administrator and Finance Department

General Information: Prior to 2001, the County did not have the legal authority to carryover any unappropriated/unreserved balance. Chapter 528 of the Laws of 2000 provided greater flexibility to local governments and the ability to carryover a "reasonable amount" of unappropriated/unreserved fund balance.

I. Definitions:

Fund Balance: The difference between assets and liabilities reported in a governmental fund. Fund balance is not necessarily the cash balance of the fund. Fund balance is classified into various components defined below based on the limitation placed on the use of funds received. The hierarchy indicates the extent to which a government can use amounts reported in the governmental funds balance sheet.

Non-spendable Fund Balance: Consists of assets that are inherently non-spendable in the current period either because of their form or because they must be maintained intact, including prepaid items, inventories, long-term portions of loans receivable, financial assets held for resale and principal of endowments.

Restricted Fund Balance: Consists of amounts that are subject to externally enforceable legal purpose restrictions imposed by creditors, grantors, contributors or laws and regulations of other governments; or through constitutional provision or enabling legislation.

Attachment: 03.006_FundBalancePolicy_2023 Proposed Changes - April (11436 : Amend Resolution No. 311-21/Amended Cortland County

Committed Fund Balance: Consists of amounts that are subject to a purpose constraint imposed by a formal action of the government's highest level of decision-making authority before the end of the fiscal year, and that require the same level of action to remove the constraint.

Assigned Fund Balance: Consists of amounts that are subject to a purpose constraint that represents an intended use established by the government's highest level or decision-making authority, or by their designated body or official. The purpose of the assignment must be narrower than the purpose of the General Fund and, in funds other than the General Fund, represents the residual amount of fund balance.

Unassigned Fund Balance: In the General Fund, unassigned fund balance represents the residual difference between assets and liabilities after all other fund balance classifications have been determined and could report a surplus or deficit. In funds other than the General Fund, the unassigned classification should be used only to report a deficit balance resulting from overspending for specific purposes for which amounts had been restricted, committed or assigned.

II. Policy:

Fund Balance Policy for the General Fund

For the General Fund, unassigned fund balance is the only portion of fund balance that is not reserved or committed for specific purposes and is, therefore, considered "discretionary." Setting a target level for unassigned fund balance in the General Fund and determining a mechanism of adjustment when the amount is above or below that threshold upholds the fiduciary responsibility the Legislature takes when collecting taxpayer dollars.

This policy will require that the unassigned fund balance in the General Fund be ~~13~~16% of the current fiscal year's General Fund original appropriations budget. This represents a reservation of 1-3 months of expenditures.

Should the level of unassigned General Fund fund balance exceed the ~~13~~16% threshold, the County Administrator and Director of Finance are directed to create a plan, subject to approval by the Legislature, to distribute the excess funds.

Should the level of unassigned General Fund fund balance not meet the ~~13~~16% threshold, the County Administrator and Director of Finance are directed to create a plan, subject to approval by the Legislature, to reduce spending and/or increase revenue in order to meet the threshold.

Fund Balance Policy for the County Road Fund

Expenditures in the County Road Fund consist of large capital projects for roads, bridges and culverts. As such, a percentage of appropriations for this fund would be insufficient in the case of

Attachment: 03.006_FundBalancePolicy_2023 Proposed Changes - April (11436 : Amend Resolution No. 311-21/Amended Cortland County

an "emergency." The Legislature has determined that a $1,000,000 threshold for the County Road assigned fund balance would be more appropriate.

Once the threshold level is attained, amounts above that level are to be used within the next fiscal year to make road, bridge or culvert improvements/replacements/repairs; or to be "returned" to the taxpayers by reducing the appropriation to the County Road Fund from the General Fund in the following year's budget.

Fund Balance for the Road Machinery Fund

Expenditures in the Road Machinery Fund consist of purchases for equipment and vehicles with high costs attached. As such, a percentage of appropriations for this fund would be insufficient in the case of an "emergency." The Legislature has determined that a $750,000 threshold for the Road Machinery Fund assigned fund balance would be more appropriate.

Once the threshold level is attained, amounts above that level are to be placed in a capital reserve for equipment and capital projects.

Fund Balance for the Self-Insured Employee Benefit Fund

Expenditures in the Self-Insured Employee Benefit Fund consist of administration fees and payments to employees and benefit providers for health, dental and vision benefits. As such, a percentage of appropriations for this fund would be insufficient in the case of an "emergency." The Legislature has determined that 10% of the 5 previous fiscal year average of expenditures.

Should the level of unassigned Self-Insured Employee Benefit Fund fund balance exceed the 10% threshold, the County Administrator and Director of Finance are directed to create a plan, subject to approval by the Legislature, to distribute the excess funds.

Should the level of unassigned Self-Insured Employee Benefit Fund fund balance not meet the 10% threshold, the County Administrator and Director of Finance are directed to create a plan, subject to approval by the Legislature, to reduce spending and/or increase revenue in order to meet the threshold.

Fund Balance for the Solid Waste Fund

The Solid Waste Fund is an enterprise fund accounting for all landfill and recycling activities. This fund is to be self-sufficient, meaning all expenses are to be covered by revenues collected without any outside help from other funds. Expenses in this fund consist of daily operation costs and debt service.

This policy will require that the unassigned fund balance in the Solid Waste Fund be 25% of the current fiscal year's Solid Waste Fund original appropriations budget. This represents a reservation

Attachment: 03.006_FundBalancePolicy_2023 Proposed Changes - April (11436 : Amend Resolution No. 311-21/Amended Cortland County

of 3 months of expenditures. For purposes of this calculation, unassigned fund balance would be calculated as current assets less current liabilities.

Once the threshold level is attained, amounts above that level are to be placed in the Landfill Equipment Reserve.

III. Procedure:

Fund balances will be calculated twice a year, once in July, based on estimated year-end amounts and once at year-end based on actual, audited information.

Dear Mr. Fitch:

I am pleased to announce that Cortland County has been awarded $5,000,000 under the New York State 2022 Statewide Interoperable Communications Targeted Grant Program (2022 SICG Targeted). This program, administered by my agency, allows for State support through grant funding for counties to enhance their public safety operations by strengthening communications infrastructure which is critical in emergency situations and ensuring that public safety personnel are prepared as they respond to calls for service. The 2022 SICG Targeted Program focuses on closing gaps in National Interoperability channels implementation and enhancing regional alliance, ensuring that county communication systems remain capable to support multijurisdictional response. Your participation in this program is another example of the successful partnerships we have been developing for public safety and emergency preparedness across the State.

The performance period for the 2022 SICG Targeted grant will be 48 months (March 1, 2023 – February 28, 2027). Expenses that you wish to claim must occur within that period. Our Grants Program Administration staff will work with your designated SICG point of contact to provide additional administrative guidance and to develop the grant contract.

On behalf of Governor Kathy Hochul, the Division of Homeland Security and Emergency Services remains committed to providing outstanding support in the administration of "*your public safety first*" responder initiatives. Please feel free to contact me if you have any questions, at 518-242-5000, or my Office of Interoperable and Emergency Communications (OIEC) Director, Mark J. Balistreri, at 518-322-4939.

Thank you for your cooperation in this public safety endeavor.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, 'the contract' or 'this contract') agree to be bound by the following clauses which are hereby made a part of the contract (the word 'Contractor' herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds $50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds $10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed $85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contracto will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of $50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may b required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided ir the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing fo work done upon the project.

In accordance with Section 139-d of the State Finance Law, if this contrac was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds $5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRF 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the 'Statute') provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. This Contract, and any sub-awards resulting from this Contract, may be subject to fiscal and program audits by DHSES, NYS Office of State Comptroller, pertinent federal agencies, and other designated entities to ascertain financial compliance with federal and/or State laws, regulations, and guidelines applicable to this Contract. The Contractor shall meet all audit requirements of the federal government and State of New York. H. Administrative, Cost and Audit Requirements: The Contractor must comply with the most recent version of the Administrative Requirements, Cost Principles, and Audit requirements. Failure to do so may result in disallowance of costs upon audit. A list of regulations and guidance applicable to United States Department of Homeland Security (DHS) grants are listed below:

f. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in subsections (2)(a) through (e) of this section.

J. Compliance with Laws, Regulations and Program Guidance. The Contractor shall ensure it is aware of and complies with all applicable laws, regulations and program guidance. It is the responsibility of the Contractor to become familiar with and comply with all terms and conditions associated with acceptance of funds.

K. Adequate Documentation: The Contractor must ensure full compliance with all cost documentation requirements, including specific personal service documentation, as applicable directly to the Contractor, sub-recipient or collaborative agency/organization. The Contractor must maintain specific documentation as support for project related personal service expenditures as this Contract is supported by federal funds. Depending upon the nature or extent of personal service provided under this Contract, the Contractor shall maintain semi-annual (or more frequent) personal service certifications and/or an after-the-fact personnel activity reporting system (or equivalent) which complies with all applicable laws, regulations and program guidance. Failure to do so may result in disallowance of costs.

L. Single Audit Requirements: For audits of fiscal years beginning on or after December 26, 2014, recipients that expend $750,000 or more from all federal funding sources during their fiscal year are required to submit an organization-wide financial and compliance audit report. The audit must be performed in accordance with the requirements of GAO's Government Auditing Standards, located at http://www.gao.gov/govaud/ybk01.htm, and the requirements of Subpart F of 2 C.F.R. The final report for such audit must be completed within nine months of the end of the Contractor's fiscal year. The Contractor must provide one copy of such audit report to DHSES within nine (9) months of the end of its fiscal year, or communicate in writing to DHSES that Contractor is exempt from such requirement.

M. Program Income: Program income earned by the Contractor during the grant funding Period must be reported in writing to DHSES, in addition to any other statutory reporting requirements. Program income consists of income earned by the gran recipient that is directly generated by a supported activity or earned as a result of the grant program. Program income includes, but is not limited to, income from fees for services performed, the use of rental or real or personal property acquired under federally-funded projects, the sale of commodities or items fabricated under an award, license fees and royalties on patents and copyrights and interest on loans made with federal award funds. For example, if the purpose of a grant is to conduct conferences, any training fees that are generated would be considered program income. Interest earned on grant funds is not considered program income unless specified in Appendix D. The Contractor agrees to report the receipt and expenditures of grant program income to DHSES. Program income (not to include interest earned), generated by the use of these grant funds will be used to enhance the grant project.

N. Intellectual Property: Any creative or literary work developed or commissioned by the Contractor with grant support provided by DHSES shall become the property of DHSES, entitling DHSES to assert a copyright therein, unless the parties have expressly agreed otherwise in a written instrument signed by them.

1. If DHSES shares its right to copyright such work with the Contractor, DHSES reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, sub-grant, or contract under a grant or sub-grant; and (b) any rights of copyright to which a Contractor, sub-Contractor, or a contractor purchases ownership with grant support.

2. If the grant support provided by DHSES is federally-sponsored, the federal awarding agency also reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, sub-grant or contract under a grant or sub-grant; and (b) any rights of copyright to which a Contractor, sub-Contractor, or a contractor purchases ownership with such grant support.

3. The Contractor shall submit one copy of all reports and publications resulting from this Contract to DHSES within thirty (30) calendar days of completion. Any document generated pursuant to this grant must contain the following language:

'This project was supported by a grant administered by the New York State Division of Homeland Security and Emergency Services and the U.S. Department of Homeland Security. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the New York State Division of Homeland Security and Emergency Services or the U.S. Department of Homeland Security.'

O. Accounting for Grant Expenditures:

1. Grant funds may be expended only for purposes and activities set forth in this Contract. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. If the

Attachment: FY2022 SICG targeted contract draft (11419 : Accept and Award NYS FY2022 SICG Targeted Grant - Emergency Response &

Contractor receives funding from two or more sources, all necessary steps must be taken to ensure that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.).

2. Contractor agrees that it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.

3. None of the goals, objectives or tasks, as set forth in Appendix D, shall be sub-awarded to another organization without specific prior written approval by DHSES. Where the intention to make sub-awards is clearly indicated in the application, DHSES approval is deemed given, if these activities are funded, as proposed.

4. If this Contract makes provisions for the Contractor to sub-grant funds to other recipients, the Contractor agrees that all sub-Contractors shall be held accountable by the Contractor for all terms and conditions set forth in this Contract in its entirety. The Contractor further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Contract and the Contractor must guarantee the work of any sub-Contractor as if it were its own.

5. The Contractor agrees that all sub-Contractor arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

- Activities to be performed;
- Time schedule;
- Project policies;
- Other policies and procedures to be followed;
- Dollar limitation of the Contract;
- Appendix A-1, Appendix C, Certified Assurances for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension and any special conditions set forth in the Contract;
- Applicable federal and/or State cost principles to be used in determining allowable costs; and
- Property Records or Equipment Inventory Reports.

P. The Contractor will not be reimbursed for sub-granted funds unless all expenditures by a sub-Contractor are listed on detailed itemization forms or a form deemed acceptable to DHSES. Backup documentation for such expenditures must be made available to DHSES upon request. All expenditures must be programmatically consistent with the goals and objectives of this Contract and with the Budget set forth in Appendix B.

Q. Space rental provided by this Contract must be supported by a written lease, maintained on file and made available by the Contractor upon request.

R. Equipment and Property:

1. Any equipment, furniture or supplies or other property purchased pursuant to this Contract is deemed to be the property of the State, except as may otherwise be governed by federal or State laws, rules or regulations or stated in this Contract.

2. Equipment means tangible, nonexpendable, personal property having a useful life of more than one year and an acquisition cost of $5,000 or more per unit. A Contractor may use its own definition of equipment provided that such definition would at least include all equipment defined above. A copy of the property record(s) or equipment inventory report(s) with relevant purchasing and supporting documentation must be made available to DHSES upon request. Property records or equipment inventory reports must be maintained, by award, that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property. The Contractor must document receipt of all applicable equipment purchased with grant funds. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two (2) years.

3. Upon completion of all contractual requirements by the Contractor, DHSES will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in connection with a public security program. When disposing of equipment purchased with homeland security grant funding, a State agency must dispose of equipment in accordance with State Laws and procedures. All other Contractors shall dispose of equipment as follows:

a. Items of equipment with a current per unit market value of less than $5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

b. Items of equipment with a current per unit fair market value of $5,000 or more may be retained or sold. If sold, the awarding agency shall have a right to an amount calculated by multiplying the proceeds from the sale by the awarding

Attachment: FY2022 SICG targeted contract draft (11419 : Accept and Award NYS FY2022 SICG Targeted Grant - Emergency Response &

agency's share of the equipment. If retained, the current market value is to be used in the calculation. To remit payments, award recipients should contact DHSES at 1-866-837-9133 for guidance.

4. Upon completion of all contractual requirements by the Contractor under this Contract, DHSES shall accept a request for continued use and possession of the equipment purchased with grant funds providing the equipment continues to be used in accordance with the contracted activities and guidelines in this Contract.

5. The Contractor must conduct a physical inventory of property records at least once every two years to verify the existence, current utilization and continued need for the property. In the event the property is no longer required by the Contractor, this fact should be reported to DHSES as soon as possible and appropriate guidelines followed, as specified in this Appendix.

6. If Contractor disposes of any equipment purchased under this Contract during the active lifespan of said equipment, Contractor must reinvest any proceeds from the disposal into additional equipment items to continue Contractor's organization's activities subject to the guidelines of this Contract. If the Contractor does not reinvest proceeds to continue activities subject to this Contract, the percentage of the proceeds equal to the proportion of the original purchase price paid by funds for the Contract must be repaid to the State of New York.

ENDNOTES:

[1] To the extent that Section V-Federally Funding Grant Requirements conflict with any other provisions of the Contract, the Federal requirements of Section V shall supersede all other provisions of the Contract.

[2] As of 2019, the list of discriminatory jurisdictions subject to this provision includes the states of Alaska, Hawaii, Indiana, Louisiana, Mississippi, North Carolina, South Carolina, West Virginia and Wyoming. Contact NYS Department of Economic Development for the most current list of jurisdictions subject to this provision.

[3] A milestone/performance payment schedule identifies mutually agreed-to payment amounts based on meeting contract events or milestones. Events or milestones must represent integral and meaningful aspects of contract performance and should signify true progress in completing the Contract effort.

[4] Fee for Service is a rate established by the Contractor for a service or services rendered.

[5] Rate based agreements are those agreements in which payment is premised upon a specific established rate per unit.

[6] Scheduled Reimbursement agreements provide for payments that occur at defined and regular intervals that provide for a specified dollar amount to be paid to the Contractor at the beginning of each payment period (i.e. quarterly, monthly or bi-annually). While these payments are related to the particular services and outcomes defined in the Contract, they are not dependent upon particular services or expenses in any one payment period and provide the Contractor with a defined and regular payment over the life of the contract.

[7] Fifth Quarter Payments occur where there are scheduled payments and where there is an expectation that services will be continued through renewals or subsequent contracts. Fifth Quarter Payments allow for the continuation of scheduled payments to a Contractor for the first payment period quarter of an anticipated renewal or new contract.

[8] Not applicable to not-for-profit entities

APPENDIX C
PAYMENT AND REPORTING SCHEDULE

For All Contractors:

I. PAYMENT PROVISIONS

1. In full consideration of contract services to be performed, DHSES agrees to pay and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page hereof. All payments shall be in accordance with the budget contained in the applicable Attachment B form (Budget), which is attached hereto.

A. Payment and Recoupment Language

1. Contractor shall provide complete and accurate vouchers to DHSES in order to receive payment. Vouchers submitted to DHSES must contain all information and supporting documentation required by the Agreement, DHSES and the State Comptroller. Payment for vouchers submitted by the Contractor shall only be rendered electronically, unless a paper check is expressly authorized by the Director of DHSES, at the Director's sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with the ordinary State procedures and practices. The Contractor shall comply with the State Comptroller's procedures to authorize electronic payments. Authorization for electronic payment must be made through the Statewide Financial System's (SFS) Vendor Portal: https://esupplier.sfs.ny.gov/psp/fscm/SUPPLIER/?cmd=login. For assistance to access the SFS Vendor Portal, please contact the SFS Help Desk at 518-457-7717 or 855-233-8363 or email HelpDesk@sfs.ny.gov. Contractor acknowledges that it will not receive payment on any vouchers submitted under this Agreement if it does not comply with the State Comptroller's electronic payment procedures, except where the Director has expressly authorized payment by paper check as set forth above.

2. The Contractor agrees that this is a reimbursement-based contract; an advance may be provided as specified in Appendix D. All requests for reimbursement must reflect actual costs that have been disbursed by the Contractor. Items or services not received are not eligible for reimbursement.

Reimbursement requests need to include the following documents:
• Signed Voucher and Fiscal Cost Report
• Detailed Itemization Forms or other forms deemed acceptable by DHSES of any budgeted category for which reimbursement is requested
• Written documentation of all required DHSES approvals, as appropriate

3. Vouchers shall be submitted in a format acceptable to DHSES and the Office of the State Comptroller. Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the Project Budget (Appendix B) and during the contract period. Such voucher shall also be deemed to certify that: a) the payments requested do not duplicate reimbursement from other sources of funding; and b) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Contractor for this program.

B. Interim and/or Final Claims for Reimbursement

1. Contractors must submit all required fiscal reports, supporting documentation and program progress reports. Failure to meet these requirements will result in the rejection of associated vouchers. Final vouchers, reimbursement requests and reports must be submitted within 30 days of the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds. The Contractor must also refund all unexpended advances and interest earned over $500 on the advanced funds pursuant to 2 CFR Part 200, §200.305(b)(9). Property Records or Equipment Inventory Reports as defined in Appendix A-1, Section V, Paragraph R, must be available at the conclusion of the contract period and submitted to DHSES upon request.

2. If at the end of this contract there remain any monies (advanced or interest earned over $500 on the advanced funds) associated with this contract in the possession of the Contractor, the Contractor shall submit a check or money order for that amount payable to the order of the New York State Division of Homeland Security and Emergency Services. Remit the check along with the final fiscal cost report within 30 days of termination of this grant contract to:

Payment of grant vouchers shall be made in accordance with the provisions of Article XI-A of the State Finance Law. Payment shall be preceded by an inspection period of 15 business days which shall be excluded from calculations of the payment due date for purposes of determining eligibility for interest payments. The Contractor must notify the Federal Fiscal Unit in writing of a change of address in order to benefit from the prompt payment provision of the State Finance Law. When progress reports are overdue, vouchers will not be eligible for prompt payment.

4. Timely and properly completed New York State vouchers, with supporting documentation when required, shall be submitted to:

All submitted vouchers will reflect the Contractor's actual expenditures and will be accompanied by supporting detailed itemization forms or a form deemed acceptable to DHSES for personal service, fringe benefit and non-personal service expenditures or other documentation as required, and by a fiscal cost report for the reporting period. In the event that any expenditure for which the Contractor has been reimbursed by grant funds is subsequently disallowed, DHSES, in its sole discretion, may reduce the voucher payment by the amount disallowed. If necessary, the Contractor may be required to submit a final budget reallocation.

DHSES reserves the right not to release subsequent grant awards pending Contractor compliance with this Agreement.

2. The Contractor will submit program progress reports and one final report to DHSES on a prescribed form provided by DHSES as well as any additional information or amended data as required.

Progress reports will be due within 30 days of the last day of each calendar quarter or on an alternate schedule as prescribed in Appendix D. Progress reports will be due within 30 days of the last day of the calendar quarter from the start date of the program and the final report will be due upon completion of the project or termination of this Agreement. All payments shall be in accordance with the budget contained in the applicable Attachment B form (Budget), which is attached hereto.

A. Payment and Recoupment Language

1. Contractor shall provide complete and accurate vouchers to DHSES in order to receive payment. Vouchers submitted to DHSES must contain all information and supporting documentation required by the Agreement, DHSES and the State Comptroller. Payment for vouchers submitted by the Contractor shall only be rendered electronically, unless a paper check is expressly authorized by the Director of DHSES, at the Director's sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with the ordinary State procedures and practices. The Contractor shall comply with the State Comptroller's procedures to authorize electronic payments. Authorization for electronic payment must be made through the Statewide Financial System's (SFS) Vendor Portal: https://esupplier.sfs.ny.gov/psp/fscm/SUPPLIER/?cmd=login. 2. The Contractor agrees that this is a reimbursement-based contract; an advance may be provided as specified in Appendix D. All requests for reimbursement must reflect actual costs that have been disbursed by the Contractor. Items or services not received are not eligible for reimbursement.

B. Interim and/or Final Claims for Reimbursement

1. Contractors must submit all required fiscal reports, supporting documentation and program progress reports. Failure to meet these requirements will result in the rejection of associated vouchers. Final vouchers, reimbursement requests and reports must be submitted within 30 days of the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds. The Contractor must also refund all unexpended advances and interest earned over $500 on the advanced funds pursuant to 2 CFR Part 200, ï¿½200.305(b)(9). Property Records or Equipment Inventory Reports as defined in Appendix A-1, Section V, Paragraph R, must be available at the conclusion of the contract period and submitted to DHSES upon request.

Notwithstanding the foregoing, such prior written consent of an assignment of a contract, let pursuant to Article XI of the State Finance Law, may be waived at the discretion of DHSES and with the concurrence of OSC, where the original contract was subject to OSC's approval, where the assignment is due to a reorganization, merger, or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that the merged contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless the Contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

a. A Contractor who proposes to purchase goods or services from a particular vendor without competitive bidding must obtain the prior written approval of DHSES. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and the basis upon which the price was determined to be reasonable. Further, such procurement must be in accordance with the guidelines, bulletins and regulations of the Office of the State Comptroller, State Procurement Council, and the U.S. Department of Homeland Security. For Federally-funded awards, contractor must comply with 2 CFR ï¿½200.320(c). A copy of DHSES' approval must also be submitted with the voucher for payment.

b. The rate for consultant services, and cost of equipment or goods, shall be reasonable and consistent with the amount paid for similar services or goods and equipment in the marketplace. Time and effort reports are required for consultants.

c. Written justification and documentation for all procurements must be maintained on file, and made available to DHSES upon request. All procurements must be made in a fair and open manner and in accordance with the pre-determined methodology established for evaluating bids (e.g., lowest responsible bidder or best value).

d. A Contractor that is a State entity must make all procurements in accordance with State Finance Law Article 11 and any other applicable regulations.

e. A Contractor that is a local government must make all procurements in accordance with General Municipal Law Article 5-A, and any other applicable regulations.

ii. A Contractor may purchase any single piece of equipment, single service or multiples of each that cost up to $999 at its discretion.

iii. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between $1,000 and $4,999, a Contractor must secure at least three telephone quotes and create a record for audit of such quotes.

This access for other agencies must be permitted to support operational and interoperable goals, and without restriction as to specific manufacturers' subscriber equipment. All reasonably compatible subscriber equipment must be permitted to be operated on your system by outside agencies, thus allowing coordinated efforts between local and state public safety/public service agencies and maximizing resources and capabilities.

i. DHSES shall provide the Contractor with written notice of noncompliance.

ii. Upon the Contractor's failure to correct or comply with the written notice by DHSES, DHSES reserves the right to terminate this Contract, recoup funds and recover any assets purchased with the proceeds of this Contract.

Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (prohibited entities list) of 'persons' who are engaged in 'investment activities in Iran' (both are defined terms in the law). Pursuant to SFL ï¿½ 165-a(3)(b), the initial list is expected to be issued no later than 120 days after the Act's effective date, at which time it will be posted on the OGS website.

i. By entering into this Contract, Contractor (or any assignee) certifies in accordance with State Finance Law ï¿½165-a that it is not on the 'Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012' ('Prohibited Entities List') posted at: http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf.

ii. Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

iii. During the term of the Contract, should DHSES receive information that a person (as defined in State Finance Law ï¿½165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

iv. DHSES reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

example, if the purpose of a grant is to conduct conferences, any training fees that are generated would be considered program income. Interest earned on grant funds is not considered program income unless specified in Appendix D. The Contractor agrees to report the receipt and expenditures of grant program income to DHSES. Program income (not to include interest earned), generated by the use of these grant funds will be used to enhance the grant project.

N. Accounting for Grant Expenditures:

1. Grant funds may be expended only for purposes and activities set forth in this Contract. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. If the Contractor receives funding from two or more sources, all necessary steps must be taken to ensure that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.).

2. Contractor agrees that it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.

3. None of the goals, objectives or tasks, as set forth in Appendix D, shall be sub-awarded to another organization without specific prior written approval by DHSES. Where the intention to make sub-awards is clearly indicated in the application, DHSES approval is deemed given, if these activities are funded, as proposed.

4. If this Contract makes provisions for the Contractor to sub-grant funds to other recipients, the Contractor agrees that all sub-Contractors shall be held accountable by the Contractor for all terms and conditions set forth in this Contract in its entirety. The Contractor further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Contract and the Contractor must guarantee the work of any sub-Contractor as if it were its own.

5. The Contractor agrees that all sub-Contractor arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

ï¿½ Activities to be performed;

ï¿½ Applicable federal and/or State cost principles to be used in determining allowable costs; and
ï¿½ Property Records or Equipment Inventory Reports.

O. The Contractor will not be reimbursed for sub-granted funds unless all expenditures by a sub-Contractor are listed on detailed itemization forms or a form deemed acceptable to DHSES. Backup documentation for such expenditures must be made available to DHSES upon request. All expenditures must be programmatically consistent with the goals and objectives of this Contract and with the Budget set forth in Appendix B.

P. Space rental provided by this Contract must be supported by a written lease, maintained on file and made available by the Contractor upon request.

Q. Equipment and Property:

1. Any equipment, furniture or supplies or other property purchased pursuant to this Contract is deemed to be the property of the State, except as may otherwise be governed by federal or State laws, rules or regulations or stated in this Contract.

2. Equipment means tangible, nonexpendable, personal property having a useful life of more than one year and an acquisition cost of $5,000 or more per unit. A Contractor may use its own definition of equipment provided that such definition would at least include all equipment defined above. A copy of the property record(s) or equipment inventory report(s) with relevant purchasing and supporting documentation must be made available to DHSES upon request. Property records or equipment inventory reports must be maintained, by award, that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property. The Contractor must document receipt of all applicable equipment purchased with grant funds. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two (2) years.

3. Upon completion of all contractual requirements by the Contractor, DHSES will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in connection with a public security program. When disposing of equipment purchased with homeland security grant funding, a State agency must dispose of equipment in accordance with State Laws and procedures. All other Contractors shall dispose of equipment as follows:

a. Items of equipment with a current per unit market value of less than $5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

b. Items of equipment with a current per unit fair market value of $5,000 or more may be retained or sold. If sold, the awarding agency shall

Attachment: FY2022 DVT draft Award Contract (11420 : Accept and Award NYS Domestic Terrorism Prevention Grant - Emergency Response &

have a right to an amount calculated by multiplying the proceeds from the sale by the awarding agency's share of the equipment. If retained, the current market value is to be used in the calculation. To remit payments, award recipients should contact DHSES at 1-866-837-9133 for guidance.

4. Upon completion of all contractual requirements by the Contractor under this Contract, DHSES shall accept a request for continued use and possession of the equipment purchased with grant funds providing the equipment continues to be used in accordance with the contracted activities and guidelines in this Contract.

5. The Contractor must conduct a physical inventory of property records at least once every two years to verify the existence, current utilization and continued need for the property. In the event the property is no longer required by the Contractor, this fact should be reported to DHSES as soon as possible and appropriate guidelines followed, as specified in this Appendix. 6. If Contractor disposes of any equipment purchased under this Contract during the active lifespan of said equipment, Contractor must reinvest any proceeds from the disposal into additional equipment items to continue Contractor's organization's activities subject to the guidelines of this Contract. If the Contractor does not reinvest proceeds to continue activities subject to this Contract, the percentage of the proceeds equal to the proportion of the original purchase price paid by funds for the Contract must be repaid to the State of New York.

R. Remedies. In the event Contractor fails to observe or perform any term or condition of the agreement, the State may exercise all rights and remedies available to law or in equity.

S. Termination for Cause and Convenience.

Termination rights of the parties shall be as prescribed in Section II(C) of the grant agreement.

This provision shall not apply to instances in ï¿½ which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicant to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor legal duty to furnish information.

d) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other Agreement or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees ï¿½and applicants for employment.

e) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

f) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

g) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations, or orders, this Agreement may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government Agreements or federally assisted construction Agreements in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

h) The Contractor will include the portion of the sentence immediately preceding paragraph (l) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Attachment: FY2022 DVT draft Award Contract (11420 : Accept and Award NYS Domestic Terrorism Prevention Grant - Emergency Response &

Provided, however, that in the event a Contractor becomes involved in, or is threatened with litigation with a sub-contractor or vendor as a result of such direction by the administering agency, the Contractor may request the United State to enter into such litigation to protect the interests of the United States.

The authorized user further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the authorized user so participating is the State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the Agreement.

The authorized user agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of Contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The authorized user further agrees that it will refrain from entering into any Agreement or Agreement modification subject to Executive Order 11246 of September 24, 1965, with a Contractor debarred from, or who has not demonstrated eligibility for, Government Agreements and federally assisted construction Agreements pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon Contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. ln addition, the authorized user agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (Agreement, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

U. Davis-Bacon Act. (Applicable to contracts for construction work)

The Agency head shall cause or require the contracting officer to insert in full in any contract in excess of $ 2,000 which is entered into for the actual construction, alteration and/or repair, including painting and decorating, of a public building or public work, or building or work financed in whole or in part from Federal funds or in accordance with guarantees of a Federal agency or financed from funds obtained by pledge of any contract of a Federal agency to make a loan, grant or annual contribution (except where a different meaning is expressly indicated), and which is subject to the labor standards provisions of any of the acts listed in ï¿½ 5.1, the following clauses (or any modifications thereof to meet the particular needs of the agency, Provided, That such modifications are first approved by the Department of Labor):

1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and
2) The classification is utilized in the area by the construction industry; and
3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a)(1)(ii) (B) or (C) of this section, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

2) Withholding. The (write in name of Federal Agency or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract, the (Agency) may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

3) Payrolls and basic records.

i) Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

ii)

A) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the (write in name of appropriate federal agency) if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant, sponsor, or owner, as the case may be, for transmission to the (write in name of agency). The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at http://www.dol.gov/esa/whd/forms/wh347instr.htm or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to the (write in name of appropriate federal agency) if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit them to the applicant, sponsor, or owner, as the case may be, for transmission to the (write in name of agency), the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the sponsoring government agency (or the applicant, sponsor, or owner).

B) Each payroll submitted shall be accompanied by a 'Statement of Compliance,' signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

Attachment: FY2022 DVT draft Award Contract (11420 : Accept and Award NYS Domestic Terrorism Prevention Grant - Emergency Response &

2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;

3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the 'Statement of Compliance' required by paragraph (a)(3)(ii)(B) of this section.

D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

iii) The contractor or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of the (write the name of the agency) or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the Federal agency may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

4) Apprentices and trainees

i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

Special Conditions

The subrecipient of the Domestic Terrorism Prevention (DTP) grant program shall use the funds provided pursuant to this Agreement to carry out the Work Plan described in Appendix D. This contract is awarded by the Division of Homeland Security and Emergency Services (DHSES) to the subrecipient based on the subrecipient's submission of an application proposal in response to the Grant Guidelines and Application Kit and shall be subject to the terms and conditions in both the subrecipient's application proposal and the Grant Guidelines and Application Kit, incorporated herein by reference, which shall apply as if fully stated herein. This Program Work Plan shall not be modified without approval from DHSES. If modification to this Program Work Plan is necessary, the subrecipient must submit a written request to DHSES and await DHSES approval before implementing such changes. If changes in the Work Plan are made without DHSES' prior approval, DHSES reserves the right, in its sole discretion, to disallow reimbursement for the modifications, reduce the amount payable to the subrecipient, terminate this Agreement, or take any other action deemed necessary. Subrecipients must provide DHSES with their Domestic Terrorism Plans by December 31, 2022. Failure to comply with this requirement may result in a revocation of grant funding through this program.

3. The project must commence 180 days after successful approval of the contract by the New York State Office of the Comptroller.

B. Record Requirements
1. Subrecipients shall keep an agenda and meeting minutes on file for all meetings conducted regarding DTP funded activities.
2. Any documents produced as a result of these meetings such as plans, schedules, or procedures, will also be kept on file and be made available

to DHSES, upon request.

C. Training & Exercise Related Activities
1. Any training courses to be supported by this award require DHSES approval in advance of participating in the training. DHSES will review and approve all training to ensure that the requested training is appropriate and supports the objectives of this grant program.
2. Subrecipients are required to be NIMS compliant. DHSES requires that subrecipients contact their county point of contact to determine how the particular county requires reporting. Subrecipients are expected to provide DHSES upon request any data required for annual NIMS certification purposes.

D. Law Enforcement Requirements
1. Subrecipients that are law enforcement agencies agree that such funding shall be utilized for prevention, preparedness, and response initiatives consistent with the New York State Homeland Security Strategy, and with Counter Terrorism Zone (CTZ) efforts at the State and local level. This will ensure that fiscal resources are used for seamless and effective counter terrorism planning, training, information sharing, investigation, equipment acquisition, and response functions.
2. Particular attention must be paid to equipment and technology acquisitions, and, where similar technology already exists in the State's law enforcement communities, subrecipients will ensure that interoperability between and among existing law enforcement systems, and the New York State Intelligence Center (NYSIC), is accomplished.
3. Subrecipients further agree to consult with the NYSIC to ensure agency participation and inclusion in New York State's Field Intelligence Officer (FIO) Program.

E. New York State Emergency Management Certification and Training Program
1. Participation in, and successful completion of, the New York State Emergency Management Certification and Training Program (EMC Training Program) is a mandatory requirement under this Contract and a condition of funding. The EMC Training Program will be made available to, and required for, DHSES specified county and city government officials in order to ensure a consistent emergency management preparedness and response strategy across the State. Attendee substitutions, except as expressly approved by DHSES, shall not be permitted or deemed to be in compliance with this requirement.
2. To fulfill the EMC Training Program requirement of the Contract and in order to be eligible for funding under this Contract, subrecipients must arrange for DHSES specified subrecipient employees to receive and acknowledge receipt of EMC Training no later than 180 days after execution of this Contract. Copies of the training certificates for each required participant must be submitted to DHSES upon execution of the Contract, or, in the event that training is scheduled, but not yet complete, the subrecipient will be required to submit a signed statement indicating the scheduled future dates of attendance, and no later than thirty (30) days after the training is complete, forward such training certificates to DHSES. Continued compliance with the EMC Training Program also requires an annual refresher training of one day per 365 day cycle from the date of initial training for previously trained individuals if such person remains employed by the subrecipient and fulfilling the same functions as he or she fulfilled during the initial training. Should a new employee be designated to serve in the DHSES specified positions, then he or she must come into compliance with the EMC Training Program requirements not later than 180 days after taking office.
3. Subrecipients must commit to active participation in a DHSES Annual Capabilities Assessment as a condition of funding. Active participation includes making reasonable staff, records, information, and time resources available to DHSES to perform the Annual Capabilities Assessment and meet the objectives and goals of the program. Subrecipients must be aware that the process of conducting a DHSES Annual Risk Assessment is an ongoing process and requires a continued commitment on the part of the subrecipient to ensure that it is effective.
4. All subrecipients funded through this program agree to provide DHSES, upon request at any time during the life of the grant contract, such cooperation and information deemed necessary by DHSES to ascertain: (1) the nature and extent of any threats or hazards that may pose a risk to the subrecipient; and (2) the status of any corresponding subrecipient plans, capabilities, or other resources for preventing, protecting against, mitigating, responding to, and recovering from such threats or hazards.
5. Additionally, pursuant to Article 26 of the NYS Executive law, DHSES is authorized to undertake periodic drills and simulations designed to assess and prepare responses to terrorist acts or threats and other natural and man made disasters. Funded subrecipients agree to attend and participate in any DHSES sponsored conferences, training, workshops or meetings (excluding those identified by DHSES as voluntary) that may be conducted, by and at the request of DHSES, during the life of the grant contract.
6. Failure to comply with any of the requirements, as listed above, may result in sanctions up to and including the immediate suspension and/or revocation of the grant award.

APPENDIX A

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, 'the contract' or 'this contract') agree to be bound by the following clauses which are hereby made a part of the contract (the word 'Contractor' herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuan to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds $50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds $10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed $85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contracto will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of $50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds $5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the 'Statute') provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. iv. DHSES reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.).

Where the intention to make sub-awards is clearly indicated in the application, DHSES approval is deemed given, if these activities are funded, as proposed.

4. If this Contract makes provisions for the Contractor to sub-grant funds to other recipients, the Contractor agrees that all sub-Contractors shall be held accountable by the Contractor for all terms and conditions set forth in this Contract in its entirety. The Contractor further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Contract and the Contractor must guarantee the work of any sub-Contractor as if it were its own.

5. The Contractor agrees that all sub-Contractor arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

• Activities to be performed;

• Project policies;
• Other policies and procedures to be followed;
• Dollar limitation of the Contract;
• Appendix A-1, Appendix C, Certified Assurances for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension and any special conditions set forth in the Contract;
• Applicable federal and/or State cost principles to be used in determining allowable costs; and
• Property Records or Equipment Inventory Reports.

P. The Contractor will not be reimbursed for sub-granted funds unless all expenditures by a sub-Contractor are listed on detailed itemization forms or a form deemed acceptable to DHSES. Backup documentation for such expenditures must be made available to DHSES upon request. All expenditures must be programmatically consistent with the goals and objectives of this Contract and with the Budget set forth in Appendix B.

Q. Space rental provided by this Contract must be supported by a written lease, maintained on file and made available by the Contractor upon request.

R. Equipment and Property:

1. Any equipment, furniture or supplies or other property purchased pursuant to this Contract is deemed to be the property o the State, except as may otherwise be governed by federal or State laws, rules or regulations or stated in this Contract.

A Contractor may use its own definition of equipment provided that such definition would at least include all equipment defined above. A copy of the property record(s) or equipment inventory report(s) with relevant purchasing and supporting documentation must be made available to DHSES upon request. Property records or equipment inventory reports must be maintained, by award, that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property. The Contractor must document receipt of all applicable equipment purchased with grant funds. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two (2) years.

3. Upon completion of all contractual requirements by the Contractor, DHSES will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in connection with a public security program. When disposing of equipment purchased with homeland security grant funding, a State agency must dispose of equipment in accordance with State Laws and procedures. All other Contractors shall dispose of equipment as follows:

a. Items of equipment with a current per unit market value of less than $5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

b. Items of equipment with a current per unit fair market value of $5,000 or more may be retained or sold. award recipients should contact DHSES at 1-866-837-9133 for guidance.

5. The Contractor must conduct a physical inventory of property records at least once every two years to verify the existence, current utilization and continued need for the property. In the event the property is no longer required by the Contractor, this fact should be reported to DHSES as soon as possible and appropriate guidelines followed, as specified in this Appendix.

6. If Contractor disposes of any equipment purchased under this Contract during the active lifespan of said equipment, Contractor must reinvest any proceeds from the disposal into additional equipment items to continue Contractor's organization's activities subject to the guidelines of this Contract. If the Contractor does not reinvest proceeds to continue activities subject to this Contract, the percentage of the proceeds equal to the proportion of the original purchase price paid by funds for the Contract must be repaid to the State of New York.

Contact NYS Department of Economic Development for the most current list of jurisdictions subject to this provision.

[3] A milestone/performance payment schedule identifies mutually agreed-to payment amounts based on meeting contract events or milestones. Events or milestones must represent integral and meaningful aspects of contract performance and should signify true progress in completing the Contract effort.

[4] Fee for Service is a rate established by the Contractor for a service or services rendered.

[5] Rate based agreements are those agreements in which payment is premised upon a specific established rate per unit.

[6] Scheduled Reimbursement agreements provide for payments that occur at defined and regular intervals that provide for a specified dollar amount to be paid to the Contractor at the beginning of each payment period (i.e. quarterly, monthly or bi-annually). While these payments are related to the particular services and outcomes defined in the Contract, they are not dependent upon particular services or expenses in any one payment period and provide the Contractor with a defined and regular payment over the life of the contract.

[7] Fifth Quarter Payments occur where there are scheduled payments and where there is an expectation that services will be continued through renewals or subsequent contracts. Fifth Quarter Payments allow for the continuation of scheduled payments to a Contractor for the first payment period quarter of an anticipated renewal or new contract.

APPENDIX C
PAYMENT AND REPORTING SCHEDULE

For All Contractors:

I. PAYMENT PROVISIONS

1. In full consideration of contract services to be performed, DHSES agrees to pay and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page hereof. All payments shall be in accordance with the budget contained in the applicable Attachment B form (Budget), which is attached hereto.

A. Payment and Recoupment Language

1. Contractor shall provide complete and accurate vouchers to DHSES in order to receive payment. Vouchers submitted to DHSES must contain all information and supporting documentation required by the Agreement, DHSES and the State Comptroller. Payment for vouchers submitted by the Contractor shall only be rendered electronically, unless a paper check is expressly authorized by the Director of DHSES, at the Director's sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with the ordinary State procedures and practices. The Contractor shall comply with the State Comptroller's procedures to authorize electronic payments. Authorization for electronic payment must be made through the Statewide Financial System's (SFS) Vendor Portal: https://esupplier.sfs.ny.gov/psp/fscm/SUPPLIER/?cmd=login. For assistance to access the SFS Vendor Portal, please contact the SFS Help Desk at 518-457-7717 or 855-233-8363 or email HelpDesk@sfs.ny.gov. Contractor acknowledges that it will not receive payment on any vouchers submitted under this Agreement if it does not comply with the State Comptroller's electronic payment procedures, except where the Director has expressly authorized payment by paper check as set forth above.

2. The Contractor agrees that this is a reimbursement-based contract; an advance may be provided as specified in Appendix D. All requests for reimbursement must reflect actual costs that have been disbursed by the Contractor. Items or services not received are not eligible for reimbursement.

Reimbursement requests need to include the following documents:
• Signed Voucher and Fiscal Cost Report
• Detailed Itemization Forms or other forms deemed acceptable by DHSES of any budgeted category for which reimbursement is requested
• Written documentation of all required DHSES approvals, as appropriate

3. Vouchers shall be submitted in a format acceptable to DHSES and the Office of the State Comptroller. Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the Project Budget (Appendix B) and during the contract period. Such voucher shall also be deemed to certify that: a) the payments requested do not duplicate reimbursement from other sources of funding; and b) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Contractor for this program.

B. Interim and/or Final Claims for Reimbursement

1. Contractors must submit all required fiscal reports, supporting documentation and program progress reports. Failure to meet these requirements will result in the rejection of associated vouchers. Final vouchers, reimbursement requests and reports must be submitted within 30 days of the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds. The Contractor must also refund all unexpended advances and interest earned over $500 on the advanced funds pursuant to 2 CFR Part 200, §200.305(b)(9). Property Records or Equipment Inventory Reports as defined in Appendix A-1, Section V, Paragraph R, must be available at the conclusion of the contract period and submitted to DHSES upon request.

2. If at the end of this contract there remain any monies (advanced or interest earned over $500 on the advanced funds) associated with this contract in the possession of the Contractor, the Contractor shall submit a check or money order for that amount payable to the order of the New York State Division of Homeland Security and Emergency Services. Remit the check along with the final fiscal cost report within 30 days of termination of this grant contract to:

NYS Division of Homeland Security and Emergency Services

Payment of grant vouchers shall be made in accordance with the provisions of Article XI-A of the State Finance Law. Payment shall be preceded by an inspection period of 15 business days which shall be excluded from calculations of the payment due date for purposes of determining eligibility for interest payments. The Contractor must notify the Federal Fiscal Unit in writing of a change of address in order to benefit from the prompt payment provision of the State Finance Law. When progress reports are overdue, vouchers will not be eligible for prompt payment.

4. Timely and properly completed New York State vouchers, with supporting documentation when required, shall be submitted to:

All submitted vouchers will reflect the Contractor's actual expenditures and will be accompanied by supporting detailed itemization forms or a form deemed acceptable to DHSES for personal service, fringe benefit and non-personal service expenditures or other documentation as required, and by a fiscal cost report for the reporting period. In the event that any expenditure for which the Contractor has been reimbursed by grant funds is subsequently disallowed, DHSES, in its sole discretion, may reduce the voucher payment by the amount disallowed. If necessary, the Contractor may be required to submit a final budget reallocation.

DHSES reserves the right not to release subsequent grant awards pending Contractor compliance with this Agreement.

September 26, 2022

The Honorable Kevin Fitch
Chair, Cortland County Legislature
County Office Building
60 Central Avenue, Room 316
Cortland, NY 13045

Dear Mr. Fitch:

I am pleased to inform you that Cortland County is awarded $51,215 under the FY2022 State Homeland Security Program (SHSP). Funding for this grant is provided by the U.S. Department of Homeland Security, Federal Emergency Management Agency (FEMA). The New York State Division of Homeland Security and Emergency Services (DHSES) will administer this funding on behalf of FEMA.

As per federal guidelines, at least 30 percent ($15,365) of your award must be directed towards law enforcement terrorism prevention activities. These activities should be consistent with the efforts of your local Counter Terrorism Zone (CTZ). Federal guidelines also require that a minimum of 30 percent of your overall award must be allocated to support the following six priority areas: cyber security, protection of soft targets and crowded spaces, intelligence and information sharing, combatting domestic violence extremism, community preparedness and resilience, and election security. This threshold must be maintained throughout the entire period of performance for all SHSP awards. In addition, as a requirement of FY2022 SHSP federal funding, DHS/FEMA is requiring that all subrecipients complete the Nationwide Cyber Security Review (NCSR) by February 28, 2023.

Please be advised that under the FY2022 SHSP guidance, all subrecipients will be required to attend DHSES-sponsored event(s) associated with domestic terrorism prevention efforts which includes the development and submission of county domestic terrorism prevention plans to DHSES by December 31, 2022, pursuant to Executive Order 18.

The performance period for this grant is from September 1, 2022, through August 31, 2025. Grant extensions beyond this date are highly unlikely. DHSES grants management staff will work with your designated SHSP grant program point of contact to provide additional administrative guidance in executing this award.

Funding Request for the Consideration of the Cortland County Legislature

March 2023

The Village of Marathon is seeking financial assistance to make necessary repairs to the village's civic center. This building was erected in the mid-1970's and has served as a social gathering center since that time. Most notably, it serves as a focal point for the annual Maple Festival, which is celebrating 50+ years of successful productions.

The civic center is a 50" x 200' wood structure which has suffered from deferred maintenance over the past few years. Portions of the steel roof need replacement. The structure's wood siding has deteriorated from various weather factors resulting in damage to the lower portions of all exterior walls.

A near total loss of income during the COVID epidemic interrupted the revenue stream necessary to maintain the building. Event revenue in 2019 was over $7,000 which paid the expenses and provided some fund reserves.

Now, the appearance of the building's exterior has a detrimental effect on the decision of potential users to rent the facility.

Because of the loss of revenue, we feel it is appropriate that ARP funds be directed for this purpose.

The village is seeking funding for the following:

1. Repairs to the existing roof per the quote from Red Beard Remodeling for $3,200.
2. Install new metal siding on entire building, including prep work underneath per quote from Red Beard Remodeling for $30,000.
3. Incidental construction elements:
    a. Remove and re-install three exterior heat pumps.
    b. Damage to insulation and wood framing discovered after existing siding is removed.
    c. Other unforeseen construction issues discovered during restoration of the 50 year old structure. Estimate of $6,000.

Total Funding Request: $39,200

Included are three contractor's estimates for this work and the lowest is being used for this request. Additionally, 4 photos are included to give you an idea of the situation.

Thank your consideration,

Mayor Scott Chamberlin
