Tobacco and Cannabis Use Policy

Policy/Procedure Number: 02.003

Modified Date(s): 8/1/2011, 4/26/2018,

Effective Date: 4/26/2018

9/22/2022, 4/24/2025

Resolution No.: 192-18, 198-22

Next Review: As needed

Objective: To establish policy regarding tobacco and cannabis use on County-owned or leased properties or in County maintained facilities, thus reducing exposure to secondhand smoke and/or vapor by visitors and employees, and upholding the County's commitment to enhancing the health and safety of its employees and residents.

Reference (All applicable federal, state, and local laws): Public Health Law Article 13-E, New York State Clean Indoor Air Act

Legislative Policy Statement: Recognizing the accumulated weight of scientific studies that document the harm to public health from exposure to both direct and secondhand tobacco and cannabis use, it is the policy of the Cortland County Legislature to prohibit tobacco and cannabis use in all its facilities and mobile equipment and on all its properties, with exceptions.

Responsible Department(s): Personnel is responsible for maintaining and keeping this policy up to date.

General Information: Numerous studies have found that tobacco use is a major contributor to indoor and outdoor air pollution. Reliable studies have shown that breathing secondhand smoke or vaping aerosols, whether in an indoor or outdoor atmosphere, is a significant health hazard for several population groups; including older adults, individuals with cardiovascular disease, individuals with impaired respiratory function, those with asthma and those with obstructive airway disease. Non-tobacco/cannabis users who suffer allergies, respiratory diseases and other ill effects of breathing tobacco/cannabis smoke and/or aerosols may experience a loss of job productivity or may be forced to take periodic sick leave because of such adverse reactions. Smoking is a potential cause of fires and can cause unnecessary losses. Vaping and the use of other aerosol delivery systems has been related to injuries and potential risk of death due to the combustion of these devices. Tobacco and cannabis products are chemically addictive and contribute to escalating health insurance expenditures

I. Definitions:

- a. **Facilities and property (leased or owned)** – includes Cortland County maintained buildings, parking lots (including privately owned vehicles while on County property), County parks, entrance lanes, sidewalks, structures, County owned vehicles, and landscaped areas
- b. **Smoking** – inhaling or exhaling from, or possessing, a lighted pipe, lighted cigar, operating electronic smoking device, or lighted cigarette of any kind, or the

lighting of a pipe, cigar, electronic smoking device, or cigarette of any kind, including but not limited to, tobacco, cannabis, or any other weed or plant.

- c. **Tobacco products** – (1) any product that is made from or derived from tobacco, or that contains nicotine, that is intended for human consumption or is likely to be consumed, whether inhaled, absorbed, or ingested by any other means, including but not limited to, a cigarette, a cigar, pipe tobacco, chewing tobacco, snuff, or snus; (2) any electronic smoking device and any substances that may be aerosolized or vaporized by such device, whether or not the substance contains nicotine; or (3) any component, part, or accessory of (1) or (2), whether or not any of these contains tobacco or nicotine, including but not limited to filters, rolling papers, blunt or hemp wraps, hookahs, mouthpieces, and pipes. 'Tobacco product' does not include drugs, devices, or combination products authorized for sale by the U.S. Food and Drug Administration, as those terms are defined in the Federal Food, Drug, and Cosmetic Act.
- d. **Cannabis products** – products containing usable cannabis, extract, or any other cannabis resin and other ingredients intended for human consumption or use, including edible cannabis products; does not include cannabinoid hemp products as defined by New York State Office of Cannabis Management, such as products made containing CBD.

II. Policy:

The New York State Clean Indoor Air Act (Public Health Law, Article 13-E) prohibits smoking and vaping in almost all public and private indoor workplaces (including company-owned vehicles) to protect workers and the public from exposure to harmful secondhand tobacco smoke and vaping aerosols.

All Cortland County facilities and property, whether owned or leased, shall be tobacco-free and cannabis-free **effective November 1, 2022**; this includes use being prohibited during all evacuation drills and/or events. Employees are also not permitted to leave the assigned area in order to use such products during drills/events.

Effective September 1, 2025: There will be no exceptions to this policy. There will be no designated areas on Cortland County property for County employees to smoke.

The only exceptions are as follows:

- ~~**COUNTY OWNED or LEASED PROPERTY:** Tobacco use may be permitted, by County employees only, in designated areas located on County owned or leased property approved by either the Department Head of areas of County property for which they are~~

- **COUNTY SHERIFF'S DEPARTMENT:** All Sheriff Department employees must adhere to the Sheriff's Smoking and Tobacco Use Policy.

III. Procedure:

Employees will be informed of this policy through signage throughout County property. Additionally, the policy will be disseminated to newly hired employees at orientation. Visitors will be informed of this policy through signage. Every effort will be made to communicate this policy with employees and visitors.

Everyone has the responsibility to inform any individual who is using tobacco or cannabis in any area where smoking it is prohibited that the individual is in violation of the smoking restrictions. Employees who use tobacco and/or cannabis in restricted areas are in violation of New York State law and/or County policy and may be subject to appropriate disciplinary procedures in accordance with the provisions of applicable collective bargaining agreement and/or State law.

Employees and the public may confidentially report violations of the New York State Clean Indoor Air Act by contacting the Cortland County Health Department or the New York State Regional Environmental Health Program Office.

Department of Motor Vehicles

Since the beginning of the year the DMV has seen a steady increase in the number of customers visiting the office. The increase in transactions are caused by two different factors. The first is the implementation of REAL ID requirements to take effect on May 7, 2025. The second is the number of licenses scheduled to expire in Cortland County.

	2024	2025	2026	2027	2028	2029
Licenses Expiring	2,325	4,894	5,999	6,318	5,746	2,916
Total Transactions	45,283	12,325 (Jan.-Mar.)				
Daily Average	182	202 (Jan.-Mar.)				
Highest Daily Avg.	208 (May)	235 (Mar.)				

REAL ID transactions are more time consuming and require two different employees to complete the transaction. The camera and scanning system provided and maintained by New York is not adequate for the sudden influx. For the month of March the system has been down a total of 12-14 hours, 8 of which were on a Friday, the busiest day of the week. The County Clerk has relinquished her status as a passport agent, to receive training in areas that could assist the DMV with transactions. An employee cannot be a passport agent and have the ability to produce identification documents of another type. At one point on Friday, March 28th the County Clerk counted 41 people in line at the DMV around 10:30am. This equated to an approximate 30-45 minute wait. Previous to this influx observed wait times were around 15-20 minutes, but were consistently less. The County Clerk and DMV Director are closely monitoring the increase and innovative ideas are being explored.
